

## PRESS RELEASE

Bogota, June 08, 2017. About the news reported by a national news-media, regarding an alleged investigation to the President of Findeter, Luis Fernando Arboleda, by the Public Defender's Office (*Procuraduría General de la Nación*), our President states:

- 1) To date he has not been notified of any investigation by the Public Defender's Office or any control entity.
- 2) With respect to the Odebrecht case, he would like to clarify that during his administration in the entity, no loan has been granted to the aforementioned firm.
- 3) His management in the Aqueduct Company Triple A of Barranquilla, was made during the period 2002 to 2004, two years before the change of ownership of the company. Work Certification attached. (*In Spanish Language*)
- 4) Regarding the service agreement signed with MarketMedios as the logistic operator of FINDETER, he reiterates that the contractual processes in Findeter are public, participatory and in accordance with the internal procurement procedure manual.
- 5) The President of Findeter is ready to respond to any request made by the control entities to clarify the mentioned facts and any other.
